5.4 Alumni Engagement

- 5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services.

The college has Alumni associations at the college level and department level, which organize their annual meet regularly. However, the college is soon registering the Alumni association to strengthen the association with the alumni and expand opportunities to the present student to draw support and inspiration from former students.

The Alumni network offers extensive support to students. It offers a platform that facilitates better opportunities for growth and holistic development of the students by enhancing their skills set through interactive sessions and activities conducted around the year. In addition, every department organized a department-level alumni gathering which allowed for more effective interaction between current batch students and alumni. All the events witnessed the enthusiastic participation of students. Alumni speakers shared their expertise on key development areas such as soft skill development, career growth, management of stress and anxiety, and several other relevant topics. SBSEC is committed to strengthening its ties with its former students. Every year present batches of students take the lead in all possible ways to make the college's alumni association more robust and efficient.

- 5.4.2 Alumni contribution during the year (INR in Lakhs) is less than 1 Lakhs.
