Since more than four decades, Shaheed Bhagat Singh Evening College is a constituent College of the University of Delhi imparting higher education in Commerce, Humanities and Social Sciences. Our mission is to develop and act responsibly in a rapidly changing global environment. Students are competent enough to deal with this uncertain work environment

Our mission is to develop the College as a catalyst of change and growth to prepare students to think critically and act responsibly in a rapidly changing global environment. We, at Shaheed Bhagat Singh Evening College, have a highly qualified, dedicated and committed faculty who are ever ready to guide you,

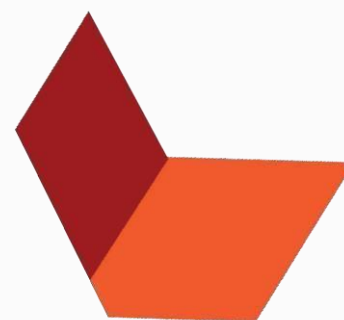

sharpen your skills and develop your all round personality. The College library has over 49,000 books in different disciplines to provide you with intellectually stimulating resource material and a very conducive and calm environment to enhance your learning abilities. This is supplemented by a state of the art Computer Lab equipped with all the modern-day learning tools. The College Library is being converted into fully automated Knowledge and Learning Resource Center.

The College has a Placement Cell that guides students from various disciplines to find suitable placements. The Cell is managed by the students under the guidance of a senior faculty member to find jobs suitable to the talent and aptitude of the aspirants. To date, we have had successful placement of our students with some leading companies in the NCR.

We are extremely proud of our relationship that has been nurtured with the companies visiting our college premises for the recruitment process and look forward to continue forging new bonds.

THE PLACEMENT CELL

SBSEC

The Placement Cell SBSEC was founded in the year 2014-15 with the goal to provide employment & internship opportunities to the students of the college in some of the reputed organizations. It acts as an interface between the industry and the students to enable them to select their career path. Students are provided assistance and counseling for choosing a suitable career.

The key objective of The Placement Cell SBSEC is to create awareness among students regarding the available career options and help them in identifying their career objectives. We also work in order to guide the students in developing skills and job-search strategies required to achieve their career objectives.

The college has seen a rise in the number of students placed through on-campus recruitment drives and is becoming the destination choice for recruiters steadily. Our constant, continuous endeavors are dedicated towards building and sustaining connections with firms, getting on board new potential recruiters and on increasing the reputation of our college in the local job market and creating our institution's brand value. The Placement Cell is guided with the constant support of their Convenor & Co-Convenor along with the Chief Coordinator of the cell.
