COVID-19 : WHEN NATION WENT UNDER LOCKDOWN

Last year when pandemic started, no one knew what would happen next, in order to make sure our members are in good and in sounding position we conducted many meetings online just to boost morale of each one of us and did a lot of fun activities, in the month of April - May. We also asked the members to send the short clips of what they are doing in lockdown and we made the video and published it on our Instagram page.

WORKSHOPS (WEBINARS)

On June 7th,2020 we had an interactive session with **Mr. Aman Wilson - Mentor Nikon India** and also wildlife photographer on Instagram Live, where the members of our society got to know a lot about wildlife photography.

Then on June 13th,2020 we had our another interactive session with **Mr. Vinay Tripathi - Renowned Street Photographer of Varanasi**, where our members again found it very informative and learned a lot from him about street photography.

ONLINE FAREWELL{ADIEU}

Due to covid-19 being pandemic unfortunately on 28-29 June 2020, we organised **Virtual Farewell** for our beloved seniors with whom we learned the legacy of clicking.

We had some games and fun together, where we gradually went down the memory lane, we also gave tribute to our seniors by showcasing a video made by the team.

We also accepted **Pass the Camera Challenge**, which got marvellous response with the same on our social media handle.

NEW SESSION

Our new session 2020-21 started with auditions, it was a challenge for us as it was all going to be online. It started with some theme based entries from which we sorted out best, then we had on the spot round (live round) followed by virtual screening, and again we got best of all.
