Glacier Lake Outburst Flood (GLOF) in Sikkim Himalayan Region: Assessment of Vulnerability, Risk and Preparedness for Disaster Management Strategy (DMSs)

SBSC/EVE/2024/

Date: 27th January, 2025

Call of Application for Research Internship

Project: -“Glacier Lake Outburst Flood (GLOF) in Sikkim Himalayan Region: Assessment of Vulnerability, Risk and Preparedness for Disaster Management Strategy (DMSs)” - (f. No. ICSSR/RPD/MJ/2023-24/G/48).

Position: Research Interns (Maximum 10 Interns for 3 months). The duration of the appointments may change as per the requirements determined by the Principal Investigator and Co-Principal Investigator.

Eligibility:

1. Applicant must be from the University of Delhi and its affiliating College.
2. Applicant must be a Student Pursuing B.A/B.S.C (Hons or Prog) or M.A, M.S.C. Geography.
3. Prior experience in fieldwork, data collection, editing, and report writing is preferable.
4. Students must be proficient in both English and Hindi.
5. NOC from the respective Head of the Institution is required to be submitted during the joining.

Nature of work:

- Candidate needs to know the basic handling of computer-based data and mapping applications. Interns will learn about research methodology and data analysis techniques in social science. The research interns are required to undertake field visits, data collection, analysis and report writing.

How to apply: Interested and eligible candidates may apply through the link -

https://docs.google.com/forms/d/1sww0MSRPbKiLrwDwB9ayY53V0KwRvN_Vw76p_ge4waA/viewform?pli=1&pli=1&edit_requested=true

Applicant must be applied within two weeks or by 10th February 2025.

The date and time of the interview shall be intimated to the shortlisted candidates through email only. The selection of the candidate under the project is subject to the fulfilment of eligibility criteria and verification of the original documents.
